Announcement – HND Airport Operations Coordinator

**WHAT: HENDERSON EXECUTIVE AIRPORT NOW HAS AN
AIRPORT OPERATIONS COORDINATOR:**

A new position has been added to the Clark County Department of Aviation (CCDOA) General Aviation team to oversee federally mandated safety programs and airport operations and ensure compliance with safety/security protocols and General Aviation Operating Directives.

**TODD FAIRFIELD JOINS HENDERSON EXECUTIVE
AIRPORT AS AIRPORT OPERATIONS COORDINATOR:**

Todd brings extensive experience in military airport operations and a strong background in air traffic control. He also holds multiple AAAE-ACE certifications, further underscoring his depth of expertise. Please join us in welcoming Todd to the HND team and offering your support as he steps into this important role.

WHY: The CCDOA has introduced the Airport Operations Coordinator position to strengthen safety and security at our General Aviation airports. This new role ensures the efficient implementation of federally mandated safety programs, provides critical support during daily operations and emergencies, and fosters compliance with safety protocols. By serving as a key liaison between airport management, tenants, and regulatory agencies, the Airport Operations Coordinator will enhance our ability to maintain a secure and safe environment at Henderson Executive Airport. This addition reflects our ongoing commitment to upholding the highest standards of aviation safety, security, and operational efficiency.
