

TENANT BULLETIN

North Las Vegas Airport Large Event

WHAT: NBAA-BACE - Increased GA Traffic Volume

WHEN: Begins: Friday, October 16, 2026
Concludes: Friday, October 23, 2026

WHERE: North Las Vegas Airport

AFFECTED: All Based and Commercial Tenants

NOTE: In anticipation of the anticipated high traffic volume during the NBAA-BACE event, please take note of the following information:

ATC Capacity:

- Please be aware that the VGT Airport Traffic Control Tower may have limited capacity to accommodate pattern work. Consider utilizing Jean Sport Aviation Center (0L7) or Overton-Perkins Field (U08) as alternatives.

Possible Service Delays for Commercial and Based Tenants:

- Commercial and based tenants should anticipate significant delays in services, including but not limited to fueling and other supplementary services.

Aircraft Handling Priority:

- Aircraft tows (including in/out of tenant hangars) will be given lower priority during this busy period.

Guest Hangar Usage:

- If a tenant chooses to grant access to their hangar to a guest as per their lease agreement, please note that a Prior Permission Required (PPR) is mandatory.

Thank you for your cooperation and understanding as we prepare for the NBAA-BACE event and work to ensure a smooth and safe experience for all airport users.

Please contact Airport Customer Service at 702.261.3803 with questions.
