

TENANT BULLETIN

Henderson Executive Airport

- WHAT:** **Temporary Relocation of the FBO During Construction**
- The FBO has been temporarily relocated to the trailers located east of the terminal building during construction. The Landings Restaurant, Cactus Aviation, and the Department of Aviation Administration offices will remain open and accessible on the terminal's second floor. All conference rooms will be unavailable.
- WHEN:** The project is currently scheduled to begin in June 2026 and is expected to be completed in approximately one year.
- WHERE:** FBO Terminal - 3500 Executive Terminal Drive
- WHY:** As part of ongoing efforts to enhance airport facilities, Henderson Executive Airport is remodeling the terminal building.
- AFFECTED TENANTS:** All tenants requiring access to the FBO or conference rooms.
- NOTE:** See attached map for more information.

If you have any questions or concerns, please contact Bruce Daugherty, Airport Manager at 702.261.4802 or Bruced@lasairport.com.
