

TENANT BULLETIN

General Aviation Airports

WHAT: Service Fee Changes

WHEN: Changes Effective Sunday, November 15, 2026

WHERE: North Las Vegas and Henderson Executive Airports

AFFECTED: All Customers

NOTE:

Key changes include:

- Fixed/large cabin oxygen fee: \$175 per service
- Lav service fee: \$75 per service
- GPU service fee: \$35 every 30 min.
- Hazmat clean-up fees: \$50 per hour, and \$25 for each additional 30 min. plus materials/disposal charges
- Nitrogen service will no longer be offered

For oxygen and nitrogen services, please refer to:

www.vgt.aero/business

www.hnd.aero/business

Service rates align our pricing with prevailing market rates, address rising operating costs, and support ongoing growth and investment in airport services and infrastructure. This adjustment will help ensure long-term sustainability while maintaining service quality and reliability.

If you have any questions or concerns, please contact Juliana Felde, Customer Experience Manager at 702.261.4822 or julianaf@lasairport.com.
