

TENANT BULLETIN

North Las Vegas Airport

- WHAT:** FBO Terminal Sewer Line Replacement Project
- WHEN:** The project is currently scheduled to begin in Quarter 1 of 2026 (Target Start: Mid-January).
- WHERE:** Main Terminal (2730 Airport Dr.)
- WHY:** The existing sewer lines have reached the end of their service life; replacement will improve reliability and reduce the risk of backups or service interruptions.
- AFFECTED TENANTS:** FBO terminal restroom users. A portable restroom will be provided (airside) during the outage.
- NOTE:** Work is planned for nighttime hours. Expect disruptions around the terminal building due to trenching.
- Restaurant operations will remain uninterrupted.
