

# ***TENANT BULLETIN***

## **Henderson Executive Airport - Large Event**

- WHAT:** Las Vegas Grand Prix – Formula 1: Increased Traffic Volume
- WHEN:** Begins: Tuesday, 18 November 2025 (0001 local)  
Concludes: Monday, 24 November 2025 (2359 local)
- WHERE:** Henderson Executive Airport (HND)
- AFFECTED:** All Airport Users
- NOTE:** In anticipation of the high traffic volume during the Formula 1 event, please take note of the following information:

### **Departure Slot Program (Only on Sunday, November 23, 2025):**

- A departure slot program will be in effect at HND for all IFR aircraft, **including based aircraft**, departing on Sunday, November 23, 2025. All departures must have an assigned slot coordinated through the FBO (702-261-4800). Aircraft unable to depart within their assigned slot may experience delays and must coordinate any changes in advance.

### **ATC Capacity:**

- Please be aware that the HND Air Traffic Control Tower may have limited capacity to accommodate pattern work. Pattern work may be restricted at certain times.
  - Consider utilizing Jean Airport (0L7) or Overton-Perkins Field (U08) as alternatives.

### **Possible Service Delays for Commercial and Based Tenants:**

- Commercial and based tenants may experience delays in services, including but not limited to fueling, towing, and other ancillary services. 100LL customers should consider utilizing the self-serve facility.

### **Special Event Fees:**

- Special Event Fees do NOT apply to current HND based aircraft.
- PLEASE NOTE: If a current, HND based tenant chooses to grant access to their hangar to a guest if specified in their agreement, please note that a PPR and an approved departure slot is mandatory, and Special Event Fee is required and must be settled in advance of the guest's arrival.
